LINCOLN
WINDOWS

5 EXTERIOR OPTIONS!

Every Lincoln window is created to conquer the elements, promote design creativity and enhance your building project; all while incorporating an architecturally appealing aesthetic.

We utilize high quality materials, state-of-the-art manufacturing processes and a continuous quality improvement program as keys to our success.

Lincoln's five exterior choices offer designers a very distinctive product offering - the perfect window solution!

Aluminum Clad

Our most popular and versatile exterior material is available in virtually any color, shape and size. The prominent features of aluminum clad products are dimensional freedom, minimal maintenance and superior strength.

Vinyl Clad

As the optimal choice for outstanding thermal performance and greater resistance to harsh coastal environments, this popular exterior is based on our aluminum clad platform. This increasingly popular series utilizes PVC cladding.

| Available Products | Full product selection | Limited product selection (excludes Lincoln Fit, Quantum Double Hung and patio doors) |
|-------------------------------|---|---|
| Frame and Sash | .050 extruded aluminum: AAMA 2605 •Eight standard colors* •Thirty-eight feature colors* •Unlimited custom colors* AAMA 2604 •Seven spray-on anodized colors | .050 extruded PVC vinyl: With titanium dioxide stabilizers (UV protectant) and impact modifiers (improved strength). •White •Adobe * Seven Painted Colors |
