

# Lincoln Wood Products, Inc

1400 W. Taylor St. • Merrill, WI 54452

## Manufacturer's Certification Statement

This certificate applies to exterior windows and doors and serves as verification that Lincoln window and door products qualify for the Energy Tax Credit in accordance with the IRS 2006-26 document. Lincoln Windows and Doors are eligible building envelope components that qualify for credit as allowed under section 25C of the Energy Policy Act of 2005.

- All Lincoln products with a U-Factor of  $\leq 0.35$  and a SHGC of  $\leq 0.40$  per the NFRC label comply with all climate zones.
- All Lincoln products with a U-Factor of  $\leq 0.35$  and any SHGC per the NFRC label comply with the Northern zone.
- All Lincoln products with a U-Factor of  $\leq 0.40$  and a SHGC  $\leq 0.55$  per the NFRC label comply with the North/Central Zone.
- All Lincoln products with a U-Factor of  $\leq 0.40$  and a SHGC  $\leq 0.40$  per the NFRC label comply with the South/Central Zone.
- All Lincoln products with a U-Factor of  $\leq 0.65$  and a SHGC  $\leq 0.40$  per the NFRC label comply with the Southern Zone.

If unsure about applicable zone qualification, please contact your Lincoln representative for a list of specific complying zones and complying products.

Enter the product description, U-value and SHGC value as shown on the NFRC label or customer order.
