### LINCOLN ADDS COUNTERPART TO SWING PATIO DOORS

New Operating Sidelite now available.

**Merrill, WI. (October 6, 2008)** – Lincoln announces the introduction of Operating Sidelites to compliment their Swing Patio Door product lines. Whether a customer is looking to add more light to a room, expand their view of the outdoors, or have the convenience of ventilation without having a screen on their patio door, Lincoln's new Operating Sidelites are the perfect solution.

Features of the new Operating Sidelite include:

- An independent frame that can be mulled to a door or installed separately.
- Three-point locking system for greater security.
- Narrow or wide stiles.
- Full screen.
- Hoppe© thumb-bolt hardware available in ten finishes including: White, Polished Brass, Oil-Rubbed Brass, Antique Brass, Faux Bronze, Satin Nickel, Antique Nickel, Brushed Chrome, Polished Chrome, and Matte Black.
- Custom sizing available.

Lincoln Wood Products, Inc. has been manufacturing high quality wood windows and patio doors for new construction, remodeling and light commercial projects for over 60 years. Based in Merrill, Wisconsin, the privately owned company engineers windows and patio doors for visual appeal as well as outstanding performance and backs it up with exceptional customer service before and after the sale. Lincoln windows and patio doors are marketed through a network of over 400 independent distributors throughout the U.S. For more information visit [www.lincolnwindows.com](http://www.lincolnwindows.com) or call 715.536.2461.
